One Perfect Trip To Key West 2017

Synopsis

This book is designed to help provide the best use of your time and money while enjoying Key West during the course of one perfectly planned visit. All the must-see highlights, as well as special dining and entertainment experiences and activity choices are included. The trip is arranged to take into account crowd size at the more popular sights and to minimize time spent backtracking across the island as you visit restaurants, sights, and attractions. Chapter 1 highlights recommended hotel and ticket options to consider before you go. Chapters 2-4 highlight three complete days of suggestions with options. These chapters include a "Day at a Glance" section for a quick read and a "Day in Detail" section for all of the information you need to enjoy the recommended activities. Chapter 5 suggests some additional options to consider if you have an extra day or to substitute for the recommendations in Chapters 2-4. Chapter 6 combines the best of Key West in one introductory day, with options, for cruise ship passengers or others who have only one day to spend on the island. Chapter 7 arranges the recommended restaurants and bars in a reference section for quick review and access based on their general location. Descriptions and website information are provided to help you make choices that will make each day PERFECT for you! Let me know if I can help you with any questions as you plan.
