"The simple, rhyming story and watercolor illustrations create a low-key, happy tone that makes the book a practical antidote to the terror that some children feel at the thought of dancing on stage...Well designed for beginning readers, and for reading aloud to younger children! -- Carolyn Phelan (Booklist)

My sister and I took ballet class during kindergarten through second grade. I drew on our remembered experiences and visited ballet classes in my area to help me write this book. I hope you and your family enjoy it!

Very cute book and easy for my child to follow along to. She (my child) actually asked me to read it three times in a row. There are stickers in the back too btw!

I get books for kids parties instead of a bday card way more fun :) and much longer life. also similar costs.

My 4yo loved it!!! It is quite basic, but well presented and cute

my little five year old ballerina loves this! She is a beginner reader and this book is perfect for her. :-)

EXACTLY AS DESCRIBED - SWIFT DELIVERY - AWESOME

Great book for children

Love the rhymes. Short and sweet. Stickers are nice bonus.
