Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Many familiar worship songs included in this book - I was playing those immediately! Some that I am not familiar with, but I will search them out and work on them. Very happy with the book - nice and heavy paperback song book - looks like it will stand up to lots of use but won't be a burden to carry with me.I liked this so much that I ended up giving my book to a college student who is also a ukulele player and bought myself another....it is easy enough for a beginner but an intermediate or advanced player could "dress it up" and make the songs fancier.

Go at this for my grand daughter. Loved the songs and easy to use

The lessons were great...my 15 year old great granddaughter was playing songs with her Mom accompanying her on the piano the same day she opened her gifts!!

It was exactly what I wanted. Very good. I like and you are so efficient. Thanks SallyI

I am thoroughly enjoying this book. Very well done. =)

Great book, easy to read, fun songs.

Great collection of Christian songs for ukulele. Eady to play.

The book has some great worship songs but unfortunately, it is just chords, music, and lyrics. Most of this is available on the Internet.
