Customer Reviews

Marco Polo maps feature completely up-to-date, digitally generated mapping. A fold-out overview map is ideal for route planning and 7 self-adhesive Marco Polo mark-it stickers can be used to pin-point a destination or route for future reference.

Marco Polo Travel Publishing offers a wide range of high quality cartographic products and travel guides. Marco Polo Pocket Guides are known for their handy, compact format and Insider Tips. Our Travel Handbooks are the first to include infographics and our Spiral Guides feature unique lay-flat spiral binding. Marco Polo Maps are famous for the high quality of cartography in their Country, City and Holiday Maps.

Scale is much too small for most of the area shown, so that only major cities can be seen. For the countries other than India, I guess the answer is to buy maps there!

Just perfect!
